Dear Ms. Arnold,

I received your kind response dated 28 of April concerning the postponement of your visit to Bulgaria. I regret very much that the proposed date is not convenient for your Committee.

I would like to propose to you that the visit of the European Affairs Committee of the Folketing to the National Assembly of Republic of Bulgaria takes place either between 27 and 29 of September or between the 18 and 20 of October.

Please, accept my highest considerations.

Sincerely Yours,
