

ASSEMBLEIA DA REPÚBLICA

*The President*

Dear Colleague,

On my behalf and on behalf of the *Assembleia da República*, the Portuguese Parliament, I have the honor to invite Representatives of the Parliament to which Your Excellency presides to attend the LXV COSAC Plenary Meeting, which will take place on the 31<sup>st</sup> of May and 1<sup>st</sup> of June, within the scope of the Parliamentary Dimension of the Portuguese Presidency of the Council of the European Union.

Bearing in mind the strong restrictions that the pandemic situation continues to cause, which have had serious implications for the functioning of our Institutions, we will not have yet the opportunity to welcome in person your Parliament's Delegation. The LXV COSAC Plenary Meeting will therefore take place in a virtual model, by videoconference, although with the same ambition that it would have in a face-to-face model.

I would be grateful if you could forward the letter of invitation from the Chairman of the European Affairs Committee, Mr. Luís Capoulas Santos, to the Chairpersons and Members of the relevant Committees of Your Excellency's Parliament.

With the assurances of my highest consideration,

Eduardo Ferro Rodrigues

*President of the Assembleia da República*
