Ljubljana, 14 June 2021

Dear colleagues,

We are honoured to be able to invite you to attend the COSAC Chairpersons' Meeting, the opening event of the parliamentary dimension of the Slovenian Presidency of the Council of the EU.

Unfortunately, the unpredictable epidemiological circumstances still prevent us from welcoming you to Ljubljana in person. We would therefore like to invite you to attend the event via videoconference on 19 July 2021.

We are certain that the virtual meeting will nevertheless enable us to have an in-depth and constructive discussion on the challenges facing the European Union and its citizens. In line with current events, one of the panel discussions will focus on cybersecurity. A part of the discussion will traditionally also centre on the priorities of the Slovenian Presidency of the Council of the EU.

Please find enclosed the programme of the meeting. We will also be sending you the relevant technical information in due course.

We hope you will be able to attend and look forward to seeing you in person at the November COSAC plenary meeting.

Yours sincerely,

Mag. Marko Pogačnik

Committee on EU Affairs of the
