**Emne:** Letter by the Chairman of the Verkhovna Rada of Ukraine

Please find attached a letter by Chairman of the Verkhovna Rada of Ukraine Ruslan Stefanchuk addressed to Speaker of the Folketing Henrik Dam Kristensen in which Mr Stefanchuk expresses his deep gratitude to the Folketing for supporting Ukraine on our path to the European Union.

I would be grateful if you could forward this letter to Mr Speaker. The unofficial translation is attached.

Also, I enclose an appeal by the Verkhovna Rada of Ukraine\* to the parliaments and governments of foreign states regarding the termination of double tax avoidance agreements with Russia (together with its unofficial translation).

Best regards,
